

Our Services

Are you aged 25 or under?
Are you disabled or do you have special educational needs?

The law says that you can get information, advice and support.

You can come to us if you want some help with getting the right kind of:

- Support at school, college or training
- Health services
- Care and support

Most people who are 16 years old or more and have finished Year 11 can make their own decisions about their school or support.

If you would like a parent or carer to help then that is OK. It is up to you.

Our service is confidential. That means our meetings will be private. We will only tell people what we talk about if you say it is ok. We also need to tell someone if we think you are in danger of being hurt..

Our service is impartial. This means we will not tell you what to do. We will not take sides.

We will give you the information and support you need to make your own choices.

If you are not happy with our support then please tell us how we can make it better!
